Search This Blog Liszt's keyboard is the pinnacle of piano technology. It has been a unifying touch point and source of inspiration, not only for classical pianists but for other keyboard musicians as well. We have just completed a project to build a new Liszt piano and provide it with a new fascia, key cover and modern action. The resulting instrument is fitted with a Bösendorfer piano action of its very best quality, and it has a touch that is refined and refined. You will be able to appreciate the subtlety and refinement of touches simply by grasping the piano. It is the easiest way to experience the piano and to measure the quality of the action. As far as performance quality 1cb139a0ed
