## System Requirements For FinePrint:

Titan Quest features high-res 2D graphics and can be played on a wide range of Windows PC systems. It will run on a minimum of a 1.8GHz Athlon XP Processor, 768MB RAM and an ATI Radeon 9600XT video card. You'll need a DVD-ROM drive and an installation drive of at least 4GB in order to install the game. We suggest running either Windows XP or Windows 2000, the latter being a recommended system due to support of Windows XP features such as 32-bit menus and no 32-bit memory limitation.
